**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support more competition for internet service, not less. I oppose USTelecom's efforts to squash smaller competitors.

You need to speak for individuals and small business, not mega-corporations and their greed for profit.

Working and middle class families cannot pay endless price hikes brought about by big companies monopolizing internet service.
